COURSEWORK

UNDERGRADUATE

Discrete Mathematics
Data Structures
Object Oriented Programming Language
Algorithm Design Analysis
Theory of Computation
Database System
Operating System
Software Engineering Design Patterns
Introduction to Data Science
Technical Writing And Presentation
Non Major Coursework
Matrices, Vector Analysis and Geometry •
Calculus • Electrical Circuits • Digital
Logic Design • Principles of Economics •
Complex Variables, Laplace Transform and
Fourier Series

SKILLS

TECHNICAL

C++ • Java • JavaScript • Python
Django • Illustrator
Familiar:
Flutter • React.js • IOT
OS Experience
Ubuntu 20.01 (Personal) • Mac OS •
Windows

EXPERIENCE

CONFUSED PINIKMAN | GRAPHICS DESIGNER
March 2018 – August 2021 | Sust, Sylhet
